Project Overview

Through a joint venture partnership with Nuveen Real Estate, North American Properties (NAP) acquired The Forum Peachtree Corners (The Forum) in March 2022 with plans to transform the 24-year-old open-air lifestyle center into a true mixed-use destination. Construction on Phase I, the public realm expansion and retail-focused improvements, began in May 2023 and is expected to be complete by late summer 2024. The Forum's merchandising collection is also getting a revamp, bringing in-demand eateries, services, and shops to downtown Peachtree Corners. Future phases include a 381-unit multifamily community and a 125-key luxury, boutique hotel.

North American Properties' Atlanta subsidiary was acquired by Jamestown in October 2024. The team and portfolio now operate under the Jamestown name. Jamestown now has ownership in The Forum and oversees management and retail leasing services.
