PROJECT OVERVIEW

Newport on the Levee (The Levee) originally rose on the south bank of the Ohio River in 2001, playing a key role in the renaissance of Newport, Kentucky’s, once-seedy Monmouth Business District. Twenty years after its debut, North American Properties (NAP) completed a multimillion-dollar redevelopment, transforming the mixed-use destination into a walkable, family-friendly entertainment hub with nearly 40 unique brands and Class A office. Now, The Levee offers guests the opportunity to spend a full day soaking up everything from shopping to dining to gaming and more, all while enjoying spectacular views of downtown Cincinnati, including popular attractions such as The Great American Ball Park and Paycor Stadium.

NAP has ownership in The Levee and oversees management, retail leasing, and parking services.
